GOOD FOR LIFE

**GINKGO BILOBA**

100 Caps #104686

**Description: GINKGO BILOBA:** is the world's oldest living species of tree, capable of reaching heights of 30-40 meters and living up to 4,000 years. In the far east Ginkgo is referred to as the tree of knowledge, extracts of Ginkgo have long played an important role in traditional Oriental medicine. **PROPERTIES:** vasodilator, antifungal, antibacterial, astringent, stimulant, antioxidant.

### Contents / Ingredients

### Traditional Therapeutic Action

- double blind tests have shown it to be effective in the treatment of altered cerebral function in the elderly
- can help promote mental acuity by increasing blood flow to the brain and extremities
- effective in helping with age disorders, Alzheimer's disease, memory loss
- improves the characteristics of the blood by lowering blood's viscosity and platelet adhesiveness; protect red blood cells by stabilizing their membranes; increases blood vessels tone
- dozens of studies show ginkgo significantly increases blood flow to and in the brain and may even speed recovery from stroke
- shows antibacterial and anti-candida activity
- a year long study of 36 intermittent claudication sufferers showed ginkgo produced significantly greater pain relief than standard treatment
- in one French study ginkgo produced "significant improvement" in the vision of people suffering from macular degeneration
- a study published in the Journal of Urology showed ginkgo helps relieve impotence caused by narrowing of the arteries that supply blood to the penis
- internally for asthma and varicose veins
- helps protect against and even restore impaired hearing, especially when due to damage from loud noise or infection

### Supplement Facts

Serving Size 1 Capsule	Servings per Container 60	Amount Per Serving	% Daily Value
Ginkgo Biloba Extract (50:1 standardized extract, containing 24% ginkgoflavonglycosides)		60 mg	(*)
Ginkgo Biloba leaf powder		300 mg	(*)

(\*) Daily Value not established.

Other ingredients: Stearic acid. Contains no yeast, wheat, gluten, corn, soy, milk, preservatives or additives. Our Ginkgo Biloba is grown and extracted under the highest quality standards and is standardized to 24% ginkgoflavonglycosides and minimum 6% terpene lactones, including Ginkgolide B, the most significant traction, and Ginkgolides A, C, and Bilobalide.

**SUGGESTED DOSAGE:** 1/2 teaspoon 3 times a day, ginkgo has a bitter taste, mixing the dosage with a small amount of juice will make it more palatable. Can be used with **CARDO PLUS** for heart problems. Best results when taken over a long period of time along with **Aerobic Oxygen**.
