BLACK WALNUT (T/E)

Green Hull (*Juglans nigra*) #253659
100 ml

Description: **BLACK WALNUT HULLS** (Green Hull); of the highest value in treating skin ailments, intestinal worms, and gastro-intestinal disturbances. The hulls used are processed while they are still green, before any oxidization has taken place. This produces a very potent product.

Properties: alterative, anthelmintic, antidiarrheal, aromatic, astringent, blood cleanser, cathartic, detergent, emetic, febrifuge, hepatic, hypotensive, insecticide, laxative.

Contents / Ingredients	Traditional Therapeutic Action
<p>Black Walnut hulls</p>	<ul style="list-style-type: none"> • for healing indolent ulcers, gastro-intestinal disturbances, liver and gall bladder ailments • used to treat hemorrhoids • valuable in the treatment of skin troubles, snake bite, and syphilis • of the highest value for curing scrofulous diseases, herpes, eczema, etc. • treats athlete's foot • has been successful in treating leukemia • the green hull is successful at expelling intestinal parasites • used to treat headaches
